Ethan Schmidt

ethan.schmidt@example.com | (555) 094-6672 | London, UK

Profile

Staff Machine Learning Engineer with 15+ years of experience, specialising in Machine Learning, Python and Computer Vision.

Skills

Python, Machine Learning, PyTorch, Computer Vision, MLflow, CUDA, RAG, FastAPI, Kubeflow, Docker, Deep Learning, Kubernetes, scikit-learn

Professional Experience

Staff Machine Learning Engineer, Bluefin Analytics (2011 - Present)
- Introduced CUDA on the image tagging pipeline team, contributing to a 13% reduction in training time.
- Delivered a new recommendation model using PyTorch and MLflow, resulting in a 28% reduction in GPU cost.
- Mentored 8 engineers and set Python standards across the team.

Academic Background

Bachelor of Science in Computer Science, University of Texas at Austin, 2010
